

Since 1927, **The Garden Club of Savannah NOGS Tour of Hidden Gardens** has showcased Savannah's natural beauty and distinct brand of Southern hospitality to over 70,000 visitors and residents. Headquartered at the Green-Meldrim House on Madison Square, the 2024 tour welcomed 1500 visitors from 39 different states to Savannah and three other countries. Through ticket sales and the help of our community sponsors, the past three NOGS tours have granted over \$160,000 to other local non-profits in our community for gardening, beautification and educational projects. A few of these organizations are listed below

Ronald McDonald House	King-Tisdell Cottage
Family Promise of the Coastal Empire	Fresh Air Home
America's Second Harvest	Friends of Oatland Island
Massie Heritage Center	Colonial Dames (Veteran's Tiny House Project),
Savannah Tree Foundation	Coastal Master Gardeners (Bonaventure Cemetery beautification)
Savannah Botanical Gardens	Savannah Arts Academy
Tharros Place	Several local public elementary schools
A.B. Williams Elementary School	Garrison School for Visual and Performing Arts
Bonaventure Cemetery Beautification	Urban Hope
Loop It Up	Tybee Marine Science Center

We are excited to announce our 2025 theme: "Savannah's Gardens: Pieces and Places". On April 25-26, 2025, ticket holders will enjoy a walking tour of historic gardens, a garden party at the Green-Meldrim House, and through a partnership with Old Town Trolley, a private trolley tour highlighting Savannah's historic garden treasures.
